CAPITAL CAMPAIGN GIFT

The Pima Air & Space Museum is excited to embark on its next capital campaign project. In early 2015 we will break ground on a new 27,000 square-foot hangar devoted to WWII and Pacific Theater aircraft. Hangar 5 will be located due east of Hangar 4 and just south of the wash. It will house iconic aircraft like the Martin B-26 Marauder and the Republic P-47 Thunderbolt. The Museum already has significant proportion of the funding for this project, but there is still more to raise.
